## *Introduction*

<<date>>>

Dear Administrator/Principal/Curriculum Supervisor:

The <<schoolname>>> Library is continuing its long tradition of supporting student growth in information literacy and research skills, as well as providing ongoing support, materials, and technology integration to all subject areas.

In this document, I review the standards for second grade and identify those standards for which the librarian can leverage resources and instructional expertise in support of this multi-state initiative.

<<<Here, identify some major existing practices of the library/librarian that dovetail with major ideas you provide.>>>

I look forward to talking further with you about our work together.

Sincerely,
